Editor's Note:

The local Police forces and the RCMP are doing a push on the riding public to produce Class 6 Licenses and make sure you're not drinking. *Be polite - it's painless and will go faster!*

West Coast M/C Show

A.I.M. donated \$510.00 worth of stamps and several volunteers showed up to help Stacey Goodman get the show on the road.

SEE YOU IN JUNE!

Anna & Arelen from the GVMC's are riding across Canada. Good luck and good weather!

Safety Council Commercial

An excellent commercial showing exactly what can happen if you drink and ride. It can definitely cost you your life.

There is also another message in this commercial... The rider lying dead on the road was wearing a *Full Coverage Helmet*. Here is the message: No matter what you put on your head if you don't think and drink, a helmet of any design cannot save your life!

The Safety Council pushes for this style of helmet. Congratulations to them for including both messages in their commercial.
